CHALLENGES ENTREPRENEURS FACE IN CUSTOMIZED GIFTING BUSINESS

In sublimation business and corporate gifting, entrepreneur encounter significant obstacles that limit growth and success.

Price & Profitability

Vendors often provides inflated prices with minimal profit margins, making it difficult for entrepreneurs to maintain healthy profit margins.

Knowledge Gaps (Poor Quality Print/Product)

Most vendors don't provide adequate training, design resources (PSDs, templates), or technical guidance which leave Entrepreneurs figuring out best ways to finish their products.

Vendor Reliability (Zero Accountability)

Vendors several times Don't pick calls, disappear after their mistakes and don't fix errors.

Late deliveries and Stock Issues

Frequent order delays and inventory shortages disrupt business operations. Entrepreneurs place orders but face extended wait times, unreliable delivery schedules, and stock unavailability.

Quality and Quantity Issues

Entrepreneurs in India often struggle to find reliable, high-quality products and machinery. The market is flooded with low-grade options that fail to meet expectations, making it difficult for businesses to identify and invest in the best solutions for their needs. several Orders get cancelled because bulk requirements cannot be fulfilled on time.

No Professional Systems

Customers often struggle because their vendors lack professional systems, leading to mistakes, delays and unreliable execution.

THE IMPACT ON THEIR BUSINESS

Vendor Reliability: Losing Customer Trust!

Are unreliable vendors causing you to lose customer trust and miss business opportunities. Are the vendors giving zero after sales support?

Price And Profitability: Struggling With Profits!

Are high vendor prices eating into your margins and making it impossible to earn decent profits?

Knowledge Gap: Stuck Without Support!

Are you struggling to grow because vendors won't give time to share the knowledge and resources you need to succeed?

Quality Issues: Facing Quality Complaints!

Are low grade products and machinery causing customer complaints and returns?

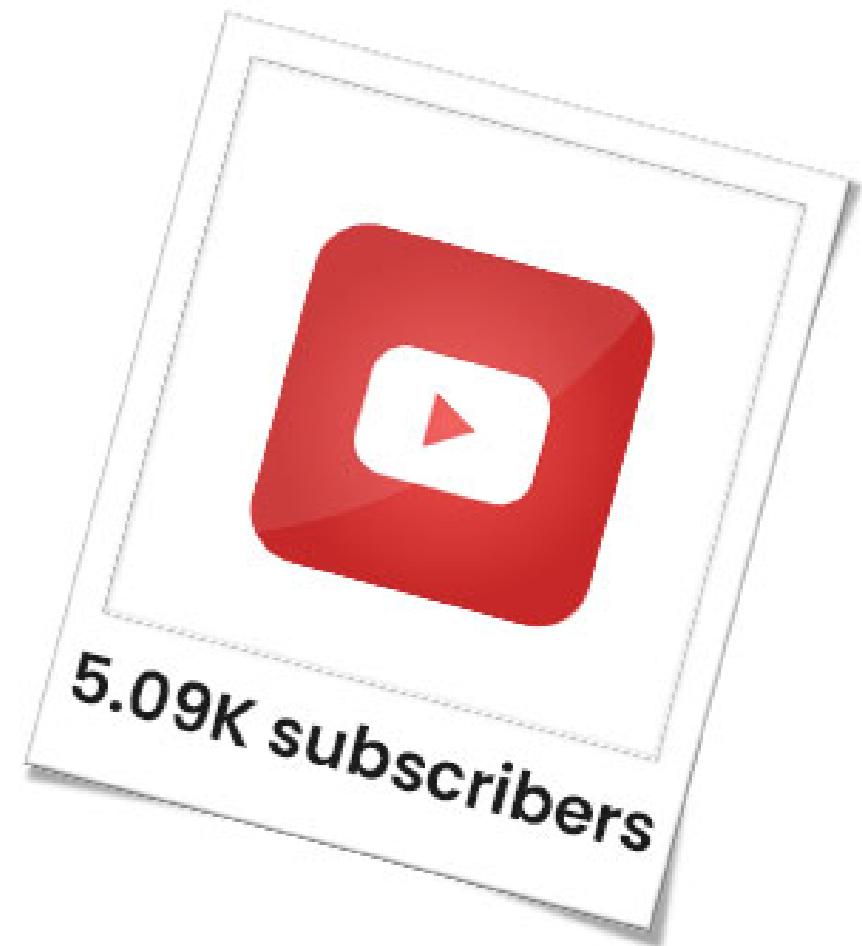

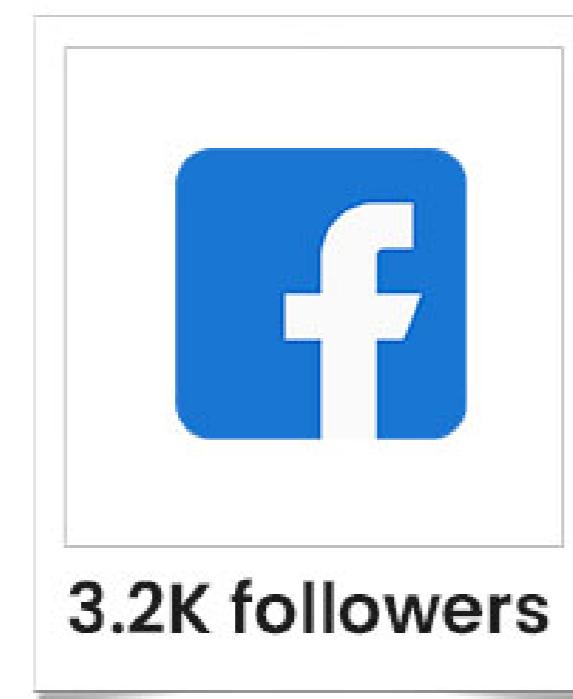

Delays And Stock Issues: Missing Orders & Damaging Reputation!

Are constant delays and stock-outs forcing you to turn away customers and hurt your reputation?

No Professional Systems! Overall Impact on Orders!

Are the lack of System leads to unpredictable outcome, making your business unstable and difficult to grow?
